English

# Adedamola A. Orofin

## Frontend Developer

I am a self-motivated and enthusiastic frontend developer with a passion for technology and am eager to contribute to team success in a thriving, exciting, and growing company through hard work, attention to detail, and excellent organizational skills. I have a good understanding of web development and training in the tools required. I am motivated to grow, excel, learn and unlearn while giving my utmost best to my employer.

## Experience

○ June 2022 - Present

Empower Her Community | Lagos, Nigeria

### Frontend Developer (Volunteer)

- Collaborating with other developers to ensure the technical feasibility of UI/UX designs.
- Developing, debugging, and testing reusable code.
- Ensuring all codes are properly documented for future reference.
- Improving collaboration and communication soft skills.
- Using Slack for communication and Github as a collaboration tool.

○ April 2021 - Nov 2021

Weixel Tech | Akure, Ondo State, Nigeria

### Frontend Developer (Intern)

- Collaborated with other developers during development processes to confirm creative proposals and design best practices.
- Researched emerging web technologies for possible incorporation into sites.
- Exercised my communication skills by keeping in touch with my supervisor throughout the project's lifecycle via email, and slack.
- Worked on personal projects to learn more outside the workspace while working on the company's project.
- Coded using HTML, CSS, and JavaScript to develop features for both mobile and desktop platforms.
- Produced websites compatible with multiple browsers.

○ Dec 2020 - Jan 2021

Bright Network | London, UK

### Technology Intern

- Learned SDLC best practices within Agile environment to produce rapid iterations for clients.
- Learned the importance of effective communication and time management in teamwork.
- Delivered the final task in time by exercising my time-management skill.
- Worked on a presentation that involved pitching a new software and having a summary of the project's lifecycle.
